

# Ac • cess • a • bil • i • ty (ak-ses-uh-bil-i-tee)

- noun

1. empowering producers to perform at peak
2. delivering customer service and satisfaction
3. going the extra mile – no matter how much gas costs
4. ease of use

Usage: "Accessibility enhances mobility."

Other forms: ac-cess-able adj.

Antonyms: inaccessability, i.e. how the other guys operate

What's in a name? In ours, it's the belief that a solid foundation and support network makes a better business. That's why Access provides its producers the tools they need to succeed - including 24/7 claims, online endorsements, acceptance of foreign driver's licenses, and flexible reinstatements. It's an idea we refer to as Accessibility. And we think that's The Way to Go.
