Socks are rarely the center of attention in a man's attire. Change that this summer with sock purveyors that offer wide arrays of high-quality, stylish socks. Nigel Knox is all about "casual sophistication." Their socks sell for \$32.50 and combine a playful American and sophisticated British feel. On the other foot, KC-based Sock101 boasts a plethora of \$7 socks, provides customizable socks and has a sock-of-the-month delivery program. With a variety of great local socks to choose from, your feet will be all the rage. Sock101 socks can be purchased online at sock101.com. Nigel Knox socks can be found at Pinstripes (601 W. 48th St., Country Club Plaza). —Alex Sher
